

Discover our bamboo Cubik plates

Enhance your presentations with Cubik plates made of natural bamboo: elegant, and durable, they offer a solution that is both stylish and practical for all your presentations.

Focus on the range

- Natural bamboo: a sturdy and durable material
- Various sizes: from mini appetiser-sized bowls to desserts
- Functional design: 15 mm rim, stackable and compatible with lids
- Easy to care for: moisture-resistant and reusable

The benefits of the Cubik Bamboo range

- ✨ Combines natural elegance with professional practicality
- 💡 Ensures a stable presentation and eco-friendly
- ✔ Makes safe transport easier thanks to the matching lids
- ✔ Offers a sustainable alternative to traditional disposable plates
