

## Discover our Fancy range

Original, creative and bold containers, designed to showcase your preparations in an unconventional way while remaining professional.

### Spotlight on the Fancy range

- Varied materials depending on the desired effect
- Perfect for appetizers, tastings, where the "wow" effect matters as much as the content.
- Serious in use, fun in presentation.

250 53 x Ø22 mm

### Assets of the Fancy range

- Original formats to showcase your creations
- Adapted materials: metal, stainless steel, cardboard combining practicality or reusability
- Suited for events, premium buffets where visual appeal is a key driver.
- A strong visual impact: the packaging catches the eye and enriches the experience
