

Discover our Karou range

The Karou range highlights the natural elegance of solid bamboo, a material that is both noble and resistant.

Focus on the Karou range

- Square and rectangular boards, available in several sizes depending on use
- Round tray, ideal for individual presentations or desserts
- GN formats available: 1/1, 1/2 and 1/4,
- Compatible with OBVIE supports and ACACIA risers for elevated presentation
- Recommended care: clean with a slightly damp soft cloth to preserve the colour and texture of the bamboo

The advantages of the Karou range

Natural, refined design, ideal for showcasing products

Various modular formats to suit all buffet configurations
